## *Project Highlights*

### 800 SF GUEST HOUSE

---

This nearly 5,000 square foot, Cape Cod style home was built in 1957 and has been through several renovations. The latest remodel upgraded nearly all the finishes and reconfigured portions of the home to accommodate the lifestyle of the homeowners.

An eight hundred square foot guest house was modernized with a new bathroom and the addition of a kitchenette featuring beautiful and functional European-sized appliances to accommodate the smaller space.
