

Austin Pollard

S.E.A.
Project Manager / Designer

Education:

Bachelor of Architecture,
University of Southern California

Shortly after completing his formal education at the University of Southern California's School of Architecture in 2017, Austin joined S.E.A. as a full time employee.

He has experience designing with various 3D modeling programs, as well as creating multimedia architectural renderings which utilize those programs in combination with the adobe creative suite, as well as hand drawings.

In addition to overseeing S.E.A.'s marketing department, Austin also has four years of experience designing and managing single-family residential projects throughout the Los Angeles area.
